THE BOSS

I think I might be in trouble. The thing is that I kind of like it.

I'm just starting college this year, and I moved out a little early to try and earn some extra cash before getting started in the fall. It took a couple weeks, but I landed an internship in the office of a high-powered attorney, but you wouldn't know it to look at her. Six feet easy without heels, long brown hair that shimmers red in the sunlight, and a body that she holds with power and confidence.

So, the first few days were normal, both exhausting and exhilarating, and working with a purpose, that this can only lead to better things. Then, on my first Friday, she asked to speak with me in her office.

I'd only seen her a couple of times around the office since my interview, which the others told me was normal since she spent a good deal of time in court or on investigative visits. So, it was a little surprising to be called in, but I took it in stride.

I stepped into the office and took my seat and waited as she was finishing up something or other. When she looked up, there was a little bit of a glint in her eye. She asked how the first week was going, if I was fitting in, and what I thought of working with her.

Then, she told me to take my shirt off.

I might have waited a couple of seconds under her watchful glare, but not for long. She had a way about her, a look in her eyes that made her hard to resist. She stood up and stepped around the desk, looking over my bare chest with a greedy gaze that made me feel wanted and desired and my mouth was dry waiting to see where this was going.

Then, she asked me a question that I'll never forget. She asked, "Do you know why I hired you?" She didn't wait for me to answer as she pulled out of her blouse, revealing a bra that looked like it was holding her

getting enough

There are a lot of women who, when you talk to them at clubs or with a few drinks in them, will boast at how good they are at sex.

They're the ones who'll say things like: 'Yeah, I'll do anything once.' or 'We fucked for six hours straight.' Typically, they're the type that are just blowing smoke up your ass.

But there was this one girl I had met who said she was married but apparently not getting enough from her man. I initially found her interesting. That is, until she attempted to get with me. She would send me texts like 'I'll be the best fuck you'll ever have,' and

entire chest in. She deftly unclasped it and let her boobs spill out right in front of my face.

Now, I got a girl back home, and that's why this might be trouble. Yet, if you saw these beauties, you'd forget about everything else you knew too.

I leaned forward and buried my face in her chest, feeling her enormous boobs squishing my face while my hands started to reach around to explore.

She slapped my hands away and moved toward my lap. Whispering in my ear, she told me she would handle this; she just needed my body. The breath left my body as this cougar attorney straddled me and started to grind against my cock trying to burst out of my pants. I'm still young, and while I thought I'd tried it all, I'd never been with a woman so powerful and in control. And the look in her eye told me she knew it. She could feel my dick still managing to throb, even though it was already rock hard, and she took advantage! She kept grinding, keeping me in a state of delirium, stuck between her boobs and under her powerful crotch. Finally, she backed off just long enough to order me out of my pants.

At that point, I didn't hesitate, ready to accept anything she gave me, not really thinking about much of anything anymore. As soon as my dick was free, she let her fingertips drift up and down the shaft with an almost wicked smile. Suddenly, her hand was around my balls, and she tugged, bringing my face up to meet hers with her other hand, telling me that this was one of the perks of working here, but that I was hers to command. Without another word, she slid herself down on my rock-hard dick and took me on the ride of a lifetime.

I never thought something like this would happen. Just out of high school, new city, new state, with my dick shoved deep up the boss's pussy with her enormous boobs in my face. I could've died right there and been

the happiest man ever. Instead, she rode me, seemingly knowing where to hit, what she wanted and needed. I wasn't allowed to shoot until she was ready, something she didn't even need to say, but the way she moved on my shaft, all the way out, back in forcefully, grinding around, she really didn't need to. I was at the mercy of her needs, and I loved it. Finally, she

threw her head back, that last thrust everything she needed and then, looking at the way she was all woman, I felt everything I had explode deep inside her, letting out a loud scream as our bodies seemed to merge and meld in that one moment.

She allowed herself to kiss me once when we were done before she pulled herself off and

got dressed again. Moving back to the desk, she scheduled me for twice a week, on Tuesdays and Fridays, and she went back to work as though nothing had happened. The grins I spotted outside showed I wasn't the only one she was using like this, but time with a sex goddess twice a week? It makes the entire internship worthwhile. I might be in some trouble, but I think it's worth it.

DOES BLONDE = NYMPHO?

I have to admit that I have this thing for blonde chicks. Especially well endowed ones. I find them incredibly hot. They're a little

'No one can fuck you like I can,' and the ever popular, 'I give the best blow jobs on the planet.'

Well, I decided to see if her bragging was true.

No, it wasn't. It was sloppy and awkward. It's like when you take two magnets and point the same poles towards each other. We just didn't connect but horn dog that I am, we did it. Kissing her was like trying to stick my tongue in a bathtub.

Some people fake orgasms on purpose and some do it out of habit. She moaned during sex making the fakest sex sounds possible. She shrieked, called me daddy, and probably woke up the entire fucking neighborhood with her booming yells of fake sexual

more into themselves than most others. I am this way because I had a blonde/big boob fixation from younger days. And when I went to college in San Diego, they seemed to be all over the place. I was in pre-med and many of them were studying to be nursing students or doctor's aids. They seemed like a well-adjusted, caring bunch, with a high sex drive. Just my types. Almost all of them wanted to fool around -- a lot -- because it seems like it's built into their metabolisms.

My favorite blondie was a pharmacy major named Stephanie. We had been seeing each other on and off for a couple years and they were a lot of fun. She was, and probably still is, a real beauty. Alabaster skin and beautiful white teeth that glowed. Long flowing curls and full, really firm breasts with puffy pink nipples that begged to be sucked.

But now Stephanie is also a bit of a nympho, has been for about a year. At first, she was very, very shy. Over the course of our first year I led her along the path of seduction. Now, if and when I get to see her, she's a sexual animal, and she's got me wondering how many men she's devoured. I don't really mind because I've been dipping my pen in the blonde ink, too.

One night as we were sitting in my car after a nice dinner out, she told me that she was headed back to Boston in three months. Her courses were ending and she had to go. It made me sad, I told her so. She also seemed sad and we started kissing, softly at first like lovers separating, then more and more passionately. Those luscious lips of hers immediately swelled and she let out a gasp of pleasure. I took that as my cue to probe her mouth with my tongue and her body with my hands. Even though we had fucked many times, I felt a sense of urgency in our kiss, and she did, too.

She let out a moan and shuffled in her seat. We both felt cramped in the car so we headed back to her apartment. Within minutes we were in her bedroom and getting naked. We fell to the bed and she flipped me on my back, straddled me and stared

into my eyes with a hungry lust that both startled me and intrigued me. She was taking charge of the sexual situation and we stripped one another of all our remaining clothes. She hovered over me and reached for my cock.

Stephanie turned and lifted her leg over me to straddle my face. I gave a light smack to her ass. She lowered her head close to my throbbing cock and took hold of it in one hand and put it in her mouth. In the meantime, I began running the tips of my fingers up and down the insides of her legs. Her ass stuck straight up in the air and her knees began to lift up off the ground as I would move my fingers up and around her ass and pussy. She started

to kiss the entire area around my cock. I grabbed her hips and pulled them down as hard as I could. Her soaking wet pussy lips met mine and instantly she let out a warm long and low moan.

As I continued to lick her clit in a circular manner, she began to moan in a rhythmic pattern. My tongue lapped up all the excess juice and went in search of more. As I concentrated on her moans, I could tell they were escalating in their intensity.

Stephanie took my cock sucked it deeper into her mouth and deeper into her throat. I could feel her entire body shaking and convulsing with each stroke of my tongue across her clit. It was then that it happened. She let out a muffled scream

pleasure.

I look down and see that my poor cock had shriveled from the lack of chemistry with this chick so I threw in the towel early.

I laid down defeated and supremely limped out. Then, she asks me in this super whiny voice, "I wanna suck your cock." I sighed again and thought we all know how this is going to end. "Sure," I said, "Go for it."

She did. It was okay but there was way too much spit all over the place. But to get to that point was so excruciating painful mentally. They say there's no such thing as a bad pizza and no such thing as bad sex. I think they're wrong.

—Grant, St. Louis

with my cock deep inside her throat and she exploded in a violent orgasm. She choked herself on my cock and slammed her ass down on my face. At the same time as she exploded, she began to squirt all over my face and into my mouth.

I loved the sensation and gave her my own loud moan of approval as I continued to lick at a feverish pace. She dislodged my cock from her throat and mouth and collapsed on top of me. She reached over and proceeded to stroke my still throbbing cock. She reached down and placed her hand on my balls to give them some attention. She fondled my balls while she masturbated me. The feel of her hands stroking my cock and pinching and pulling my ball sac put me deeper into blonde heaven.

Stephanie sat up and took my cock back into her mouth. The warm feeling of her lips and mouth on my cock was unbelievable. She moaned and continued to play with my balls awaiting my blast. I let out a very strained moan and grabbed one of her ass cheeks very hard. She inhaled and at the same time and swallowed an amazing amount of cum that erupted out of me. She continued to swallow and suck as she seemed overpowered by the sensation of my cum entering her mouth.

She grinned and kissed me passionately. I tasted the remains of my cum on her lips and on her tongue. I lowered myself to kiss and fondle her ample breasts, taking each nipple between my lips and flicking them with my tongue. She giggled and we laughed. I played with her blonde hair and she fuck between her boobs. We cuddled the rest of the night away knowing that we'd fuck again before she left. But tonight it was about the warmth and sharing between two people whose time together was soon going to change, perhaps to end.

But fear not, dear reader, there are a ton of new blondes coming my way and I'm ready for each and every one of them.

A full-page photograph of a woman with long, wavy red hair and blue eyes. She is posing outdoors, likely on a balcony or patio, with lush green foliage in the background. She is wearing an orange bikini bottom with white polka dots. A patterned cloth with green, red, and white designs is draped over her chest, held in place by her hands. She has a small silver belly button ring. The overall tone is sensual and relaxed.

VERONICA HAS A SEXY SUNDAY

Working in my home-town has its perks, however the grind can get rough. I just need a day to relax! I love my Sundays off and spend time just to, well... get off. Nothing's better than quality time with myself and my pussy.

RIDE 'EM COWGIRL!

Lapping it up in the Florida sunshine

Norma's silken blonde hair hid her face from me as she sucked madly on my rock-hard cock. I felt the cum building in my balls for the first time in years. I could hardly believe my wild sex kitten was a sucking me off, and not exactly the type you'd expect to find down on her knees in a trailer giving an OK-looking dude like me a blow job.

Wild sex certainly isn't what I expected the first time we met. I moved into a trailer park in south Florida. Two years of living alone in the house that my wife and I had lived in together for just four years was just too lonely

the mall in the next town over. As a matter of fact, that is how I first met Norma. She was giving away free samples and showed up at my door the day after I arrived with a plate of homemade cookies.

I accepted the food but refused her offer to join in the local activities. I'm just not cut out for big get-togethers. But Norma doesn't give up easily. She kept pestering me until finally, I agreed to accompany her on a shell hunting expedition at the beach.

I was pleasantly surprised that Saturday morning when she showed up wearing a bathing suit. It was con-

store. She'd squeal and race over to each new shell she discovered. I'm not much for sea shells, but I sure did enjoy watching her as she bent over to pick them up. The bottom of her suit would crawl up her big round ass and provide me with a breathtaking view every time she did. I felt a tingle between my legs that I thought was gone. Still, I didn't do anything about it. Norma sure didn't seem like the type for spur-of-the-moment sex – or so I thought.

It wasn't long before we were walking along the beach holding hands like a couple of teenagers. By

after she passed away.

As far as sex is concerned, I figured it was over; I had given up. My wife and I had a good sex life right up till the end. It wasn't any kind of orgy or anything, but she satisfied my needs.

The women my age only confirmed my decision. They spent most of their time going out or working at

servative by today's standards, but still showed off her tits beautifully. Her boobs, from what I could tell, were perfect. I couldn't keep my eyes off of the big soft mounds as they strained to burst from the suit. I had on jeans and a t-shirt and didn't change just because she had on the swimsuit.

Norma was like a kid in a toy

then my cock was about half hard but I didn't worry that she would see it. I was sure that sex was the last thing in the world on her mind.

So, the first time our joined hands brushed my crotch, I chalked it up as an accident. But then it happened again and again. Pretty soon I had a bona fide hard-on. The day ended

with no more than her hand brushing my cock. But I arrived back at my trailer with a case of lover's nuts ... the first time in over 5 years. That night, I shot off for the first time since my wife died, even if it was in my fist. In my mind it was Norma's warm, wet pussy that received my generous load of jism.

The next day, I visited Norma's trailer for the first time. She was outside on her deck sitting in a sun-lounger. She had on a yellow two-piece sun suit and her hair was in a ponytail.

She didn't see me until I was standing right beside her. She turned her head and looked up and smiled. Her mouth was level with my cock, which was getting bigger by the minute. She invited me in for coffee which, of course, I accepted. I followed her into the trailer and admired the new wiggle of her rump as she walked ahead of me.

I sat on the sofa in the tiny cramped trailer while she made the coffee. Then, while it was brewing, she took a seat in a chair across from me. I couldn't get my mind off of her body. Suddenly she was the sexiest woman I'd ever seen. My cock grew to full attention just looking at her long shapely legs.

"How long has it been?" she asked, in a voice so soft that I could barely hear.

"What?" I answered, unable to understand the question.

"When is the last time you had a woman?" she whispered. Her face turned beet red as she spoke.

"Three years," I stammered, practically choking on the words.

"It's been four for me," she murmured, as she began unbuttoning her top.

mounds, forcing the sweet nipple into my open mouth.

She squirmed, moaned, and whimpered while I nibbled the big tender tits for at least a half hour. Finally she pulled the tit from my mouth and stood up.

"Take off my pants, Harvey," she gasped. "I want to be naked for you." I fumbled with the button and zipper at the side of her shorts for what seemed like forever to a man with an erection, before she finally reached down and opened them with one flick of her hand.

I pulled the shorts down over her soft round hips and nuzzled my face against her crotch and belly while she stepped out of them.

With the shorts gone, only the panties remained. The crotch was much darker than the rest of the garment. It was wet with juice from her pussy.

My hands trembled as I slowly uncovered her flat stomach and then her fuzz-covered mound. The wisps of curly hair were unable to hide the wet, pink lips of her pussy. They peeked from the bush, begging to be kissed.

My mouth was attracted to her lower lips like a magnet. The instant that my mouth contacted her clit, she grabbed my shoulders for support and shook all over as the first orgasm of many shook my horny widow's body.

I shoved my tongue into Norma's sexy pussy in long hard thrusts, as she humped her hips back at my torrid tongue and moaned encouragement. I could actually feel the lips of her pussy vibrate under my busy tongue as she came again and again.

I licked her juicy slit until she could take no more and fell beside me on the sofa. She lay there with her head on my shoulder and her hand in

I'm sure that if I had stood up at that moment, I would have stepped on my tongue. I sat there like an idiot while she opened the front of the blouse and let it fall from her shoulders.

Her tits were still covered by the bra, but just the fact that I was in the same room with a woman in her underwear had me ready to come in my pants.

"Tell me what you want me to do, Harvey," she cooed.

"Take off your bra," I panted. "Let me see your tits."

She reached behind her back and unsnapped the bra. Then she shrugged her shoulders and let it fall into her lap. Her breasts stood proudly on her chest. They were like two giant mounds of ice cream with big red strawberries on top.

Norma cupped the twin beauties in her tiny hands and leaned forward. I planted a quick kiss on one of the stiff nipples. She gasped for breath and pulled my head against the soft hot

my lap for quite a while before she recovered enough to speak.

With a skill that surprised me, she unzipped my pants and reached into my underwear and pulled out my cock. "It's your turn, Harvey," she whispered, as her tongue tickled my ear.

She began by petting my cock as though it were a stray kitten. In spite of her inexperience, her hand on my cock felt fantastic.

"Tell me what feels good," she sighed as she continued petting my twitching pole. So, I put my hand over hers and helped her wrap her fingers around the shaft and establish the up-and-down rhythm that felt best.

She learned quickly as she stroked my twitching pole to the edge of coming a dozen times. Each time she would stop pumping just in time to prevent my explosion. I wanted to come so bad that I was ready to scream, but at the same time, I wanted it to go on forever. "It is beautiful," she moaned, as she leaned her face closer to my swollen prick. Her breath against the sensitive cock head sent shock waves up my spine.

"Can I kiss it?" she mumbled, her words slurred by the mushroom shaped head as it slipped easily into her willing mouth. It was the first time since before my marriage that a woman had tasted my cock. Even my wife was never able to bring herself to do it.

Norma treated my cock like a giant ice cream cone. She licked her way from my balls to the head in long slurping licks. I savored every flick of her tongue against the tingling head as I fought to control the volcano building in my balls. I ached to come in her mouth, but was afraid that if I did, it might end the relationship.

sleeping soundly beside me, facing away. I lifted the sheet and looked at her beautiful ass in the moonlight.

There was no way that I could have waited until morning, so I snuggled down behind her and slipped my cock between her legs. She moaned, sleepily and opened her legs wider. Her pussy was hot and ready. I slipped my dick into her silk sheath in one try. Her tight wet pussy gripped my cock like a vice and began a milking motion that sent tremors all over my body.

"Yes, Harvey ... yes . . . yes!" she cried as she pushed her beautiful ass back at my every horny thrust. I felt like I was twenty years old again, like I could fuck my sexy Norma all night.

But when she screamed and shoved her ass back against my cock and sucked it into her quivering pussy to the hilt, my staying power flew out the window as my seed spurted into the steaming hole.

Her body shook as she yelled my name and continued having one long shuddering orgasm. She was still coming long after my cock stopped spurt-ing. We fell asleep with my cock resting in her satisfied slit.

You wanna know something else? We didn't rush out and get married. There was no need. We are both set in our ways, even at our tender ages. That way, when we do have sex, it is because we both want it and it seems that it gets better every time.

Last night she asked me to fuck her ass. It was a first for both of us. I thought we'd never stop cumming. Guess that isn't exactly what most folks figure Florida trailer folks would be doing. But what they don't know won't hurt them!

"You'd better stop before it's too late," I grunted as I felt the jism welling in my balls. I tried my best to pull my cock out of her mouth, but she hung on like a leech and sucked even harder.

So I lifted my hips off of the sofa, shoved my dick as far as possible into her willing mouth and gave her tonsils a bath in hot cum. She mumbled some sort of encouragement and swallowed every drop. She lay with her head in my lap sucking on my satisfied dick until it was again a tiny pink noodle.

Now, you think that I'm going to tell you that even after that record-setting cum, that I was still hard and that Norma and I fucked for the rest of the afternoon.

The truth is, we went out looking for sea shells, returned for steaks on the grill and were in bed by 9:30. But, I will admit that it was her bed. She insisted that when I got my next erection, she wanted to be there. At 4:30 the next morning, it happened. I woke up with my dick so hard that I could have used it to drive nails. Norma was
